

Stagehands opens new office in Nürnberg

Stagehands, a leader in event industry staffing services, is pleased to announce the opening of its new office in Nürnberg, Germany. This expansion marks a significant milestone in the company's growth strategy and underlines its commitment to better fulfil the needs of its clients in the region by expanding its local crews.

The new office, located at Frankenstraße 152, 90461 Nürnberg, will serve as a central point of contact for customers in Nürnberg and the surrounding areas. From here, the experienced Stagehands team will offer its comprehensive services in the areas of labour leasing, event management and more. The team will also benefit from the new location's close proximity to the Frankenhalle, where Stagehands has already organised a large number of events in the past.

"Opening our office in Nürnberg is an exciting step for us," says Sebastian Stein, Managing Director of Stagehands in Germany. "We have recognised the growing demand for temporary staff in the region and look forward to providing even more dedicated support to our local clients. The fast connection between Nürnberg and

Munich also enables us to offer larger crews preferably from a single source and to keep travel costs low."

Polina Zinoviev, branch manager in Munich, who initiated the expansion in Nürnberg, is also proud that we can now offer our customers scaffers, grounders and riggers from our own personnel pool thanks to the crew's further training.

Due to its proximity to important event locations and customers, the new Stagehands office will enable improved responsiveness and efficiency, which should lead to even greater customer satisfaction.
